

For Immediate Release

**CURRENT ENERGY RAISES FUNDS FOR NORTHEAST TEXAS
CHAPTER OF CYSTIC FIBROSIS FOUNDATION**

*Dallas Company Raises \$18,000 in Honor of
Cystic Fibrosis Awareness Month in Great Strides Walk*

Dallas, June 9, 2008 – Dallas-based Current Energy, provider of energy efficiency products and services for commercial and residential customers, participated in the 20th-annual Great Strides Walk, May 17 in Dallas, benefiting the Northeast Texas chapter of the Cystic Fibrosis Foundation.

Since 2007, Current Energy has been involved in raising funds and volunteering for the Cystic Fibrosis Foundation. Forty Current Energy employees participated in the walk and raised more than \$18,000 for the organization. Current Energy's contribution represented one of the largest corporate donations for the event, with proceeds going toward critical research, education and care programs.

"Cystic Fibrosis has touched the lives of many Current Energy team members, and we are deeply committed to the cause," said Josh Stern, a principal partner of Current Energy. "We are extremely proud of our team's enthusiasm to participate in this event and raise this money for our local chapter of the Cystic Fibrosis Foundation."

Current Energy displayed a booth at the event, showcasing its energy efficiency products from the world's first energy efficiency store™ and offering drawings for energy solutions for the home.

This year's Great Strides Walk in Dallas included more than 800 people grouped into 16 different corporate teams, which raised a total of \$208,000.

About Current Energy

Current Energy, headquartered in Dallas, is a one-stop comprehensive resource for energy efficiency solutions. Current Energy helps residential and commercial customers manage energy consumption, save on energy bills and contribute to the sustainability of the planet. The company was founded in 2001, anticipating the impact that energy deregulation would have on companies. Since then, the company has grown to include two divisions – Current Energy Commercial and Current Energy Residential, which operates the world's first energy efficiency store™. Current Energy was recognized by the U.S. Department of Energy in the fall of 2007 with an Energy Innovators Award. For more information, visit www.currentenergy.com.

About The Cystic Fibrosis Foundation

The Cystic Fibrosis Foundation is the leading organization devoted to curing and controlling cystic fibrosis. Headquartered in Bethesda, Md., the Foundation funds CF research, has more than 80 chapters and branch offices throughout the country, and supports and accredits a nationwide network of more than 115 CF care centers, which provide vital treatments and other CF resources to patients and families.
